

## Hockey School Success

The Bob Johnson Hockey School can attribute its 43 years of success to the quality of its highly skilled instructional staff.

We have always placed a priority on selecting coaches who are experienced teachers of the game and have the skill to communicate with players of all ages and ability levels.

The staff is led by 1980 Olympic Gold Medalist Mark Johnson and former Wisconsin Badger player and coach Peter Johnson.

### Mission

Our Mission is to provide an instructional experience that allows a student to improve their skills, knowledge of the game and overall self-confidence as it relates to the game through a "positive" learning experience.

We accomplish our mission by focusing our efforts on providing the following:

- Individual instruction
- Innovative drills and teaching techniques
- A progressive curriculum that focuses on the fundamentals of hockey
- A disciplined, yet fun and challenging learning environment
